

WATER RESCUE DRY SUIT (MSD576 02)

The MSD576 02 is the next evolution of Mustang Survival's constant wear dry suit. It is based on the functionality of our legendary Swift Water Rescue Dry Suit and is available in sizes M-XXL. We have updated the design and added several new features to improve the mobility and function specific to water rescue professionals.

Exclusive to Mustang Survival, the MSD576 02 features Rapid Repair Technology™, which enables users to field replace neck and wrist seals, socks and repair small leaks in an hour or less.

*California residents please refer to:

CUSTOMIZATION	Agency markings and other seal types available by special order
CLO	Immersed Clo 0.75 when worn with Mustang Survival dry suit liner MSL600 and lightweight thermal baselayers MSL604 and MSL605
ACCESSORIES	MSL600: Polartec® liner for cold water applications MA7348: Neoprene Survival Hood MA2292: Zipper Lubricant

WATER RESCUE DRY SUIT (MSD576 02)

MOBILITY BASED SIZING™

EXCLUSIVE INNOVATIVE DRY SUIT DESIGN THAT REDUCES BULK WHILE INCREASING FIT, COMFORT & MOBILITY

Based on more than two years of extensive anthropometric research, range of motion testing and user evaluations, we introduce the industry's newest improved fitting platform designed specifically for dry suit users for tactical, rescue or special operations. Mobility Based Sizing™ offers a semi-custom suit that reduces bulk and increases range of motion without the expensive custom price tags or long lead times.

The mobility based sizing platform:

- Was developed based on anthropometric data from 2,500 North American 3-D body scans, ensuring the sizing and patterns of the suits fit the greatest number of individuals
- Immensely improves range of motion while decreasing bulk
- Offers standard expanded sizing (such as short and tall) for all sizes so users can order a semi-custom suit without the expensive price or long lead times

The Mobility Based Sizing platform is like none other currently in the industry. To order a suit that fits you best, follow our detailed measuring instructions online at:

www.mustangsurvival.com/mobility/

SIZING GUIDE

To properly fit your mobility based sizing garment, follow the instructions below.

STEP 1 – MEASURING

For accurate measurements, please refer to the measurement diagram and instructions provided.

All measurements should be taken with a "tailors" (flexible) tape while wearing garments and any accessories such as body armor usually worn under the garment.

STEP 2 – SIZING

Based on your measurements, determine your size according to the chart below. If all your measurements fall between the ranges of two sequential sizes (such as between S and M) select the size that best fits your Torso Hoop and Inseam.

LOCATION	1	2	3	4	5	6	7	8
SIZE	CHEST (IN)	WAIST (IN)	HIPS (IN)	SLEEVES (IN)	INSEAM (IN)	TORSO HOOP (IN)	HEIGHT (IN)	SOCK (USA Men)
M	39" - 42"	34" - 37"	39" - 42"	33" - 35"	32" - 34"	65" - 68"	67" - 71"	9 - 12
L	43" - 46"	37" - 40"	41" - 44"	35" - 37"	34" - 36"	69" - 72"	71" - 74"	9 - 12
XL	45" - 48"	40" - 44"	43" - 46"	36" - 38"	34" - 36"	71" - 74"	73" - 76"	12 - 16
XXL	48" - 52"	44" - 49"	46" - 50"	37" - 39"	34" - 36"	74" - 79"	75" - 78"	12 - 16

PLEASE NOTE: If all your measurement do not fall into the range of sizes listed here, you may consider ordering an MSD624 sentinel series water rescue dry suit. The MSD624 is available in our mobility based sizing, which includes 9 standard sizes from XS to 4XL, as well as short and long sizes as a special order. Please contact mustang survival for more information.
